WELCOME TO MOSSMAN GORGE

SAFETY INFORMATION

- The Mossman River is dangerous due to strong currents, flash flooding, cold water, slippery rocks and submerged objects.
- Wear sturdy closed shoes, protective clothing and insect repellent to protect yourself from stings, scratches and insect bites
- Always stay on the walking tracks.
- Don't walk on the Mossman Gorge Road as there is no footpath. Instead, take the shuttle bus to the Park entrance.
- Mobile phone reception is poor or non-existent in the Park. In an emergency, try calling 000 or use the emergency phone at the toilet block near the Park entrance as shown on the map. Please also notify a shuttle bus driver or tour guide of any incident immediately.

Journey into the lush rainforest of Mossman Gorge and experience the wonders of the World Heritage-listed Daintree Rainforest with pristine waterfalls, mountains and vivid flora and fauna.

There are two easy-grade walking loop tracks to explore. One meanders beside the Mossman River through the lush rainforest (River Circuit Track) and the second extends deeper (Rainforest Circuit Track) with a suspension bridge that boasts spectacular views of Mossman River and the unique flora and fauna of the Daintree Rainforest.

For a real appreciation of the Gorge, join an Indigenous guided Dreamtime Walk tour to get a deeper insight into the ancient flora and fauna of the rainforest, and learn about traditional plant uses and Kuku Yalanji culture.

Mossman Gorge Centre, a vision of local Kuku Yalanji man Roy Gibson, was created to help protect the pristine environment and to share local culture and traditions with its visitors, while creating training and career paths in tourism and hospitality for the local community. Today, 90 percent of our employees are Aboriginal or Torres Strait Islander.

“THIS IS OUR WAY OF KEEPING OUR CULTURE ALIVE AND WALKING TOGETHER AS ONE. „
